

IMaSS is pleased to offer two Travel Grants to join the  
**European School of Metabolomics for early career Scientists**

**Two travel grants of 200 euro** are offered by the Italian Mass Spectrometry Society in order to encourage the participation to the European School of Metabolomics for early career Scientists.

Travel grants are reserved to students of any grades (undergraduate, fellowship and scholarship or doctoral student) that are **active IMaSS members** at the moment of the application. The winners will be selected basing on their CV and motivation statement.

For the application, please send an email with your CV and your motivation statement by email to:

[abstract.submission@imass.it](mailto:abstract.submission@imass.it)

The deadline for application is fixed on April 1<sup>st</sup>, 2026.

Winners will be notified by April 10<sup>th</sup>, 2026
