

IMaSS is pleased to offer two Travel Grants to join the
1st INCAMS MEETING
International Network for Clinical Applications of Mass Spectrometry

Two travel grants of 400 euro are offered by the Italian Mass Spectrometry Society in order to encourage the participation to the 1st INCAMS meeting.

Travel grants are reserved to students of any grades (undergraduate, fellowship and scholarship or doctoral student) that are **active IMaSS members** at the moment of the application. The winners will be selected basing on their CV and motivation statement.

For the application, please send an email with your CV and your motivation statement by email to:

abstract.submission@imass.it

The deadline for application is fixed on November 1st, 2026.

Winners will be notified by November 15th, 2026
